By Haynes

AN ACT to amend Tennessee Code Annotated, Title 2,
relative to voting.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 2-6-201, is amended by deleting the section in its entirety and by substituting instead the following language:

2-6-201.

(a) A registered voter may vote absentee by mail by completing an application to vote absentee by mail at the voter's county election commission office or complete an absentee by-mail application; provided, that if applicable, such voter satisfies the requirements of § 2-2-115(b)(7). In order for the absentee application to be processed, the voter must comply with the provisions of § 2-6-202.

(b) The county election commission shall establish a permanent absentee voting register for any person who is unable to appear at either the commission office or at the person's polling place for the purpose of voting because of sickness, hospitalization, physical disability, or because the person is a full-time resident of any licensed nursing home, home for the aged or similar licensed institution providing relatively permanent domiciliary care, other than a penal institution, outside the voter's county of residence. To be eligible for placement on the register, a voter shall file a statement by the person's licensed physician with the county election commission stating, under the penalty of perjury, that in the physician's professional medical judgment, the patient (voter) is medically unable to appear at the polling place to vote and is medically unable to go to the commission office for the purpose of early voting. The voter shall file the physician's statement and the application not less than seven (7) days before the election. The

administrator of elections shall attach the physician's statement to the voter's permanent registration record. Without any further request, the administrator shall send to each person placed on the permanent absentee voting register an application for an absentee ballot for each election in which the person may vote.

SECTION 2. Tennessee Code Annotated, Section 2-6-202, is amended by deleting subsection (a) in its entirety and by substituting instead the following language:

(a)

(2) A voter may make the request or submit an application to vote by mail, facsimile machine, or e-mail with an attached document that includes a scanned signature.
